# How to get to Dorchester on Thames

## PARKINSON'S<sup>UK</sup> CHANGE ATTITUDES. FIND A CURE. JOIN US.

Imagine not being able to move, sleep, or smile. Feeling anxious or depressed and struggling to think or remember. Your body not feeling like your own. This is what Parkinson's can feel like.

Every hour, someone in the UK is told they have Parkinson's – a brain condition that turns lives upside down, leaving a future full of uncertainty.

Parkinson's UK is here to make sure people have whatever they need to take back control – from information to inspiration.

We want everyone to get the best health and social care. So we bring professionals together to drive improvements that enable people to live life to the full.

Ultimately, we want to end Parkinson's. That's why we inspire and support the international research community to develop life-changing treatments, faster. And we won't stop until we find a cure.

Together we can bring forward the day when no one fears Parkinson's.

## Joining The London Chorus

From Mozart to Mahler, Royal Albert Hall to 'The X Factor', Twickenham rugby stadium to the Opening Ceremony of the 2012 Paralympic Games and 'Friday Night is Music Night', the life of The London Chorus member is never dull!

We frequently perform in high-profile concerts in top London venues, alongside professional orchestras and the cream of young solo talent.

The choir also undertakes smaller 'gigs' for a wide range of clients, and organises regular concert tours abroad; recent destinations have included Milan, Tallinn, Cape Town and Soweto and the Lake Garda Summer Festival in Italy.

The London Chorus is always pleased to welcome new members, who are guaranteed a hugely varied programme and a friendly atmosphere.
